d.31 1/2"
drop length.74cm - 104cm (29" - 41")

Material:
Powder-coated aluminium in red, white, black or blue

60W

Autoban reinterprets the classical chandelier. Reminiscent of an octopus, this chandelier has a globe at the centre from which legs tipped with light bulbs emerge. It is a functional design with an entertaining spirit and a sculptural image, as the hinged legs allow for different profiles.
