**Product Code**  
241L

**Dimensions**  
d.80cm  
d.31 1/2"

**Material:**  
Stainless steel or Gold-plated steel

60W

Taking inspiration from spiders, Spider stands out from the crowd with its sculptural form of convex rods circling a crown mirrored bulb. When switched on, the bulb emits the light backwards and the lamp casts giant shadows on the surface. A surprising effect that comes as a bonus. A dimmer allows control over the intensity of the light.
